ARCHITECTURAL DESCRIPTION

see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

129 Bradford Street is a 2 1/2-story, 3-bay, Greek Revival-style, former sidehall cottage; the front-gable roof is clad in asphalt shingles, pedimented gable dormers exist on the east and west facades and the brick interior chimney is located at the peak; the exterior is clad in clapboard siding, details include corner pilasters and partial cornice returns and the foundation is brick; the fenestration includes 2/2 wood DHS with wood trim, a bay window is located on the side façade at the 2nd story level and bay windows on the 1-story, gable front addition have 12-pane wood casements flanked by 3-pane wood casement windows, with a hipped roof covered in wood shingles; A 1-story commercial addition is located on the front of the building and contains a central entry, flanked by multi-light, fixed pane bay windows; A deck has been built on the roof of this addition and has square balusters and a multi-pane wood door.

HISTORICAL NARRATIVE

see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.

Currently "Baker Joe" (2003)
