ARCHITECTURAL DESCRIPTION

see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

173 Bradford Street is a 1-story, 2-3-bay, Astylistic residence; The side gable roof is clad in asphalt shingles, and the brick interior chimney is located at the peak; The exterior is clad in wood shingles and the foundation is concrete block; The fenestration includes 6/6 wood DHS with historic 12-pane and 4-pane wood storms and inoperable shutters; The main entrance may be located on south façade at enclosed porch, but this side not visible from street; Wood steps and wood storm door access the enclosed porch; A 1-story shed roof section is located on the east side with vertical board exterior, 6/6 wood DHS and 12-pane wood storms.

HISTORICAL NARRATIVE

see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.
