FORM B - BUILDING

--	--	--	--

ARCHITECTURAL DESCRIPTION

see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

163 Bradford Street is a 1 1/2-story, 5-bay, Greek Revival-style cottage; the side gable roof is clad in asphalt shingles, with partial cornice returns, two symmetrically placed gabled dormers are located on the front roof slope, and a central brick chimney is located just down the front roof slope from the ridge; the primary façade is clad in clapboards and wood shingles clad secondary facades; the fenestration includes 2/2 vinyl DHS, and have wood trim and operable shutters, the ell contains modern multi-pane vinyl arched windows with single-pane awnings below; the primary entrance contains a door surround including an entablature and a 5-light transom; The rear 1-story ell is located on Law Street and is 3-bays with a wood pane and panel entrance near the rear; Another 1-story section is located in the rear and has a tiny cupola on the roof; Exterior steps to at 2nd-story entrance and deck are located on the west side.

HISTORICAL NARRATIVE

see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.

Currently "Harbor Lights of Provincetown";
