ARCHITECTURAL DESCRIPTION

see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

241 Bradford Street is a 2-story, 3-bay, Astylistic building; the front-gable roof is clad in asphalt shingles and the foundation is poured concrete; the fenestration includes paired 6-light wood awning windows; the primary entrances are located on the north and south façade and consist of large double paired wood folding pane and panel garage doors - possibly for boat access; pedestrian entrance on right of front façade containing a wood panel door

HISTORICAL NARRATIVE

see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.
