ARCHITECTURAL DESCRIPTION

see continuation sheet

Describe architectural features. Evaluate the characteristics of this building in terms of other buildings in the community.

287 Bradford Street is a 1-story, 4-bay, Astylistic building; the roof is shed; the exterior is clad in wood shingles and the foundation is obscured; the fenestration includes two central 8-light wood awning windows; the primary entrances flank central windows and consist of wide, single pane and panel wood doors; may have originally been same type of garage doors in center - creating double paired doors

HISTORICAL NARRATIVE

see continuation sheet

Discuss the history of the building. Explain its associations with local (or state) history. Include uses of the building, and the role(s) the owners/occupants played within the community.
